Profile

We, **Arpan Synthetics (Guj) Pvt Ltd.**, are one of the recommend manufacturers, suppliers, and exporters of Fabrics. In addition, we are also engaged in manufacturing a wide assortment of pants and trousers (gents and ladies), cargo pants, shorts, jackets, pajama set, industrial dress and children dress, as per the international quality standards. Our entire range of products is highly appreciated by our clients for its shrinkage resistance, exotic designs, dazzling colors and incomparable quality.

Initially, we sourced cotton grey fabric, yarn dyed fabric, from reliable manufacturers of market and precisely processed (dyeing & printing) at our unit, which are supplied to bulk buyers, who are engaged in manufacturing of different types of garments. Backed by a sound infrastructure, we are capable of fulfilling our bulk consignments within the stipulated time frame. Our production unit is installed with latest machines that are efficiently used by our highly experienced professionals. Thus, with our unmatched Fabric, we are geared to meet the challenges of the textile industry. Owing to a quality range of products, we are able to enjoy tremendous patronage located in **Asian** and other countries. Moreover, presently we are working as a dealer of "**Nandan Denim**". Under the able guidance of our mentor, **Mr. Ashish Shah**, we have carved a strong foothold for ourselves in the competitive industry. His strong business ethics and commitment has got us a commendable position, and gained us complete client satisfaction.
