# A b o u t U s

Established in the year **1998**, we, "**Holographic Origination And Machineries Limited**", are a sole proprietorship firm, which is engaged in manufacturing, exporting and supplying of Holograms & Holographic Machines such as Holographic Product, Hologram Machinery, Mastering Laboratory and Narrow Web Hologram Project Line. We are an **ISO 9001 : 2008** company. Known for their long lasting life and resistance to high temperature, these offered products are immensely appreciated in the market. Owing to the premium quality of the entire range of the products offered by us, we have secured a prominent position in the industry.

We have an excellent manufacturing unit. We are one of the leading manufacturer of security holograms in India. Confiding on the prudent vendors for supreme quality raw materials, we ensure the optimum quality of the offered range of products. Driven by a client-centric approach, we assure an impeccable range of the products for our clients.

We were founded by **Mr. Ashim Roy**, our Vice President Marketing, who has complete knowledge about the vacuum metal and holography industry. Our team of professionals always provides best solutions of all the products like holograms, hologram project lines, holographic products, document security to our clients worldwide. **We export our product in all over the world.**
