Balaji Filter Tech

<http://www.balajifilters.com/>

Our company is the master in manufacturing, retailing, importing and exporting a wide assortment of Paper Filter, HEPA Filters and HVAC Filters.

About Us

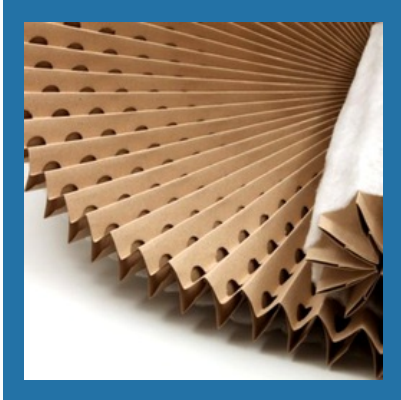

We, "**Balaji Filter Tech**" manufacture, retail, import and export a wide assortment of **Paper Filter, HEPA Filters and HVAC Filters**. We established in the year **2007**, have built an outstanding reputation for our expertise, experience and the quality of products we supply, and the benefits they provide our customers. The products offered by us are manufactured by using high-grade material that we procured from the reliable vendors of the market. In producing products in bulk, our professionals' give their best. They work with dedication and passion for meeting the goal of the company.

Our raw materials are the best available on the world market. Our technology combines experience, knowledge and know-how with latest advances from international manufacturers. We are exporting our products **globally**.

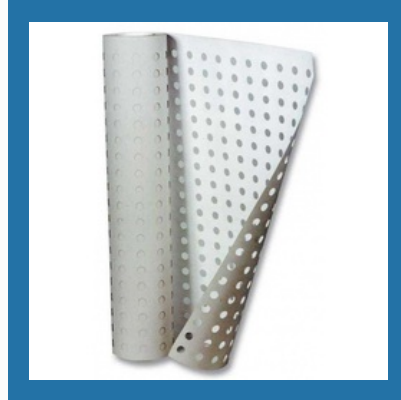

We have fully skilled and experienced team of professionals' who are capable of working in coordination and with full dedication to achieving the goal of the company. Our mentor, **Mr. Vijayaraghavan Venkat (Proprietor)** works efficiently and knows his responsibility. His deep knowledge of the market and positive attitude make him superior to others. He motivates and guides our professionals how to work and utilise the available resource in such a manner so that we can give the maximum output.
