# Know Us

Established in the year **1995**, we, “**Azmeera & Sons**”, have earned an enviable market status by wholesaling, retailing and trading an extensive range of **Industrial Tools & Accessories**. Our range of **Pipe Threading Tools, Pipe Tools, Cutters Reamers & Flaring Tools** is widely demanded in automotive and engineering sectors owing to its commendable performance and longer functional life. It has acquired huge appreciation due to the features like corrosion resistance, high tensile strength and sturdy construction.

We are associated with experienced vendors, who manufacture handling & lifting tackles at par with industry recommended norms and quality standards. They enable us to maintain our credibility & reliability among our clients and to outcast our business counterparts in the industry. Our long standing commitment is to imbue our clients with high level of satisfaction by offering our customized range to them. We also lay special focus on other factors like timely, packaging and pricing of products. Our endeavors have resulted in clinching a huge client base across the country.

Under the able leadership of our mentor, “**Mr. Moiz Ameer**”, we have acquired immense recognition in the domestic markets. His business policies and undivided dedication have motivated us in overcoming market challenges effectively.
