We, **Chennai Floorings** are a very new organization in the industry with respect to other competitor firms. We have aimed to make ourselves one of the leading **suppliers and traders** in future. Being incepted in the recent year **2014**, we have established our head office at **Chennai, Tamil Nadu, India**. The organization is incepted as a **partnership** based firm. The product range that we are dealing in are **Thin Set Adhesive, Tile Adhesive, Floor Tile, Acid Proof Tile, FRP Grating, Acid Resistant Tile, Anti Slip Coating, Floor Dazzle Adhesive, Interior Flooring, Waterproofing Agent, Construction Chemical** and many more. We are also reckoned for reliable **Building Repair Service and Building Renovation Service**. With the comprehensive analysis and efficient development plan, we are capable to develop our products as per the client's requirements. Our products are durable, corrosion resistance and are developed sturdy in construction. Our products provide our clients a stream of good services and increased durability for a longer stream of service. Being in construction sector, our products are highly used in building construction. Also in current time, a normal person will make his home with lots of effort and struggle. So, we are providing the best quality products and services, so that the building constructed will sustain for longer durations many of years.

Chennai Floorings is managed and governed by **Mr. R. Aravamuthan and Mr. P. Aadhavan**, who is the active **Partner** of the organization. He has vast knowledge and rich experience in the industry and utilizing this, he has set targets for our team and organization as well. We work shoulder to shoulder with the team members and stand by them in their hour of need.
