

Betar Communication Systems Private Limited

www.indiamart.com/betarcommunication

We are one of the leading distributors, importers, exporters and retailers of Radio Communication Devices. The products are highly appreciated for their quality and long service life by our clients across the globe.

Profile

Established in the year **2003**, we, **Betar Communication Systems Private Limited**, are one of the distinguished distributors, importers, exporters and retailers of **Radio Communication Devices (Wireless Two Way Radio Communication Solution)**. These technologically advanced products are appreciated for their quality and reliability amongst our clients across the globe. Backed by a team of diligent technical experts, we have undertaken the implementation and maintenance of wireless networks. To offer best-in-class products and services to the clients, we have set-up sound business associations with some of the eminent names in the RF field. With their support, we offer two way radios in VHF, UHF and HF frequency bands, analogue trunking and digital trunking in TETRA protocol and microwave digital radio links in 2.4Ghz, 5.7Ghz and 13Ghz.

Our organization has successfully undertaken various projects in wireless networking and has worked for state forest department, electricity department, police and paramilitary force railways, located in **India & Ethopia**. We have also completed projects for a highway construction company in Afghanistan and path/site survey in Andman & Nicobar for ANIIDCO. Our organization is successfully led by our mentor, **Mr. Jai Sharma**, who has thorough knowledge and valuable industry experience in this domain. Under his able guidance and constant encouragement, we have scaled new dimensions of success in the industry.
