

# Vin Dip India Pvt. Ltd.

[www.indiamart.com/vin-dip-india](http://www.indiamart.com/vin-dip-india)

We are engaged in manufacturing and supplying automobile wiring harness insulations in flexible PVC through a very versatile dip moulding process. Our products are approved and used in all Automobiles.

# A b o u t U s

We are a trusted organization and have attained a strong foothold over the market from 1998 offering **Wiring Harness insulation, Bus Bar Shrouds, Cable Gland Shrouds, PVC or Vinyl Caps, Handle Grips and Flexible Bellows.**

We maintain quality standards in our production to retain the market credibility and take stringent quality tests for total flawlessness and excellent performance. Over the years, we have been catering to the **Electrical and Automobile** industries and have gained a large OEM customer base.

**Vin Dip India Pvt. Ltd.** is the largest Vinyl (PVC Plastisol) Dip Molding Company in India. It is the result of the merger between two giants of PVC Dip Molding: Chaithanya Dip Moulding Works (CDMW) leading manufacturer of insulation materials for automobile wiring harness and Preetham Products which specializes in manufacturing of shrouds for insulating heavy duty electrical appliances.
