Established in Mumbai, Maharashtra, India, we, 'Chemitex Enterprises' have been engaged in trading and supplying various chemicals that include Water Based Liquid Dyes, Dyestuffs, Pre-Dispersible Pigments and more. Titanium Dioxide, Wet Ground Mica, Calcined Mica, Acrylic Emulsions for Water Based Paints, Water Based Inks, Khadi Textile Printing, Inks for Flexo and Gravure Printing are some of the chemicals and dyes that we supply.

Our Pigments & inks are widely used in many industries that include Textiles, Food, textile, plastic, paint.

Under the guidance of our mentor, Mr. Shailesh Rasiklal Kharidia, we have managed to supply our products in the national as well as international market, thereby increasing our customer base. He emphasizes on procuring these chemicals from reliable vendors. By doing this, we ensure that our products have no harmful effects and can be widely used in all major Industries. Our foremost aim is to maintain cordial relationship with our clients. An experienced team comprising of sales and marketing professionals, enables us in doing so. With the support of our clients, we have become one of the most preferred brands in this industry.
