**Abu International, Chennai** was established in the year **1995** with an aim to offer garment accessories to the textile industries and other industries that manufacture, purses, bags, leather utility items etc. We have started this company with a will to win the hearts of our clients by providing them the best garment accessories that add value and increase the aesthetic value of the fabric. Being in the domain for quite some time, we have developed potentials to increase our markets in the international areas. Our sincere appreciation goes to our vendors who support us with their beautiful products. The vendors with whom we have tied up have the market credibility and develop incredible products that enhance the beauty of the fabric on which they are used.

Adroit team is with us that have the capabilities of increasing business activities. They are suitably trained and our company's values are imbibed in them during the training sessions. The infrastructure that we possess has all the features to support the business starting from procurement till the delivery. Suitable equipment and tools have been installed in the infrastructural unit that aid us in conducting quality tests and upgrade the products that we obtain from vendors. Our transactions are transparent and our policies are clear to the clients.

**Mr. V. M. Abuthahir Thahir** has established this company with a vision of offering products that improve the garments by making it more fashionable. The show buttons, embroideries, labels and other accessories add trendy looks to the garments. The multi-talents like artistic taste, modern outlook, enterprising nature and administrative skills have helped **Mr. V. M. Abuthahir Thahir** to build a firm like this that has acquired a stable position in the domain. The team follows his principles and values in true spirit that has always helped the company to achieve successes.
