

Adesh Traders

www.indiamart.com/adesh-traders

We are the manufacturers and suppliers of different types of disposable thalis, donas and plates and disposable plates making machines. Further, we also offer Maintenance Services for these machines.

Profile

Established in the year **2011**, “**Adesh Traders**”, is a well recognized organization engaged in manufacturing and supplying technically advanced range of **Water Proof Plates and Dona Manufacturing Machines**. Manufactured using finest grade raw material and components, the range is known for its precision design, high performance, sturdy construction, easy installation, low maintenance and longer service life. Through innovation, integrity, consistent quality and commitment, we have been able to strengthen our position within such a short span of time. Further, we also manufacture leak-proof and attractive assortment of **Disposable Utensils, which includes different types of disposable donas, thalis and plates**.

We have invested hugely in developing an ultramodern infrastructure facility with advanced research and development division. Comprised of industrious professionals and modern machines, our unit enables us in offering products that are manufactured in exact accordance with clients' given specifications. Moreover, the available facilities help us in providing most reliable solution to the clients. Further, our research and development wing helps us add new dimensions to the products as well as to the organization.

With the motivational support and guidance of our mentor, Mr. Adesh Tikle, we have carved a niche for ourselves in this domain. His rich industry experience and sharp business acumen have helped us in maintaining our huge client base.
