A professionally managed organization, Aditya Surgical has established itself as one of the leading distributor & trader of quality Medical & Surgical Equipments.

Profile

Incepted in the year 2005, **Aditya Surgicals**, has been established as a well known name engaged in distributing & trading a quality range of **Surgical and Medical Instruments**. These products have gained immense popularity all over the country for features like high performance, accurate dimension, great strength and hygiene.

Our well segregated and professionally maintained store is endowed with adequate stock that helps us in meeting the bulk requirements of our clients in set time frame. Apart from this, we are also instrumental in getting newly launched products and all kinds of branded surgical equipments.

Under the leadership of our mentor, **Mr. Ashok Prabhakar**, we are able to cross over the set benchmark in trading and have established new records in the market. Our team has learned business ethics and gained the knowledge of handling a successful organization.
