Established in the year **2005**, we, '**Aditya Techno Products Private Limited**', have positioned ourselves in the league of the most celebrated firms engaged in providing **Construction Services** on turnkey basis. To plan these services, our professionals fix meetings with our global clients based across the **Indian Subcontinent, East Asia and Middle East**, to understand their exact requirements. Moreover, we utilize premium grade raw material to execute these services.

Registered with the Indian Government and US Govt. in CCR, we employ latest techniques & machines to render these services to accelerate the pace of execution. Besides, we take care of all the operations right from the planning and designing to the final execution. Moreover, to source the raw material, we have collaborated with some of the most vulnerable and reliable market vendors. Some of the projects undertaken by us are **SRL Ranbaxy Ltd. Goregaon (Mumbai), Amritsar F.D.I. Project, Wal-Mart, HCL Tech. BPO Services Ltd. (Noida) & APL Logistic**. Our clients include **Bharti Televentures, Maruti Suzuki India Ltd., Larson and Turbo Ltd. and Rohan Rajdeep Toll Ways Ltd.**

Under the able tutelage of our director, '**Mr. Kailash Parihar**', we have been able to register phenomenal success in a short period of time. His rich past academic record has enabled us to capture both domestic and overseas markets.
