A b o u t U s

We, **Arihant oil & Chemicals** were established in the year **1990** and after spending some glorious years of success & development, today, we have become the acclaimed name in the industry. We are engaged in manufacturing and exporting of a wide assortment of superior quality **Rubber Chemicals** and **Rubber Products**. Our incomparable range of finished products include **Reclaim Rubber, Butyl Reclaim Rubber, Reclaiming Agent Crumb Rubber, Pre-Cured Tread Rubber, Natural Rubber, Synthetic Rubber, Rubber Chemicals, Rubber Process Oil etc.**

Leveraging on our extensive industry experience, skills of our seasoned worked force and varied latest technologies & machines, we are delivering a wide range of standard products. Our inherited passion is to serve our customers and effectively meet their various requirements through delivering them our cost effective products. It is the result of our customer oriented activities that our annual turnover has gone up Rs. 5 crore.

We were incorporated at New Delhi under the auspices of **Mr. Rajesh Mittal**. with the objective to achieve full customer satisfaction. Apart from manufacturing, delivering and exporting of finished products, we are also dealing as a reputed stockists of various chemical & synthetic rubber products. To achieve optimal results of our diligence efforts, we have applied excellent management strategies in every sphere of our functional operations. These strategies and their rational execution enable us to perpetually serve our clients with high desires to achieve their utmost satisfaction.

With our extending business perimeter in terms of production capacity, we are trying to cater markets of abroad. Our monthly production capacity of various finished products has gone-up to 500 metric tonnes and as per our future enhancement plan, further, we are trying to increase it.
