

AL - Ameen Enterprises

www.al-ameen.net

We are leading trader, retailer, supplier and distributor of heat exchangers, hydraulic relief valves, suction strainers, gear couplings, overcentre valves and many more.

Profile

Established in the year **1987**, we “**AL - Ameen Enterprises**” are the prominent supplier, trader, retailer and distributor of Hydraulic Products.. The range we offer under this category includes **Yuken India Ltd., Hydax hydraulics, Hydromatik, Tucson hydrocontrols, Abb, Sainest, Bhagwati, Spradow, Ponar wadowice, Wandfluh, Tiwac, Hydrocontrols, Winde, Badestnost, Demcon, Tiva, Danfoss, Teccon, Tranter** to name a few. In addition, we also undertake reliable services for the offered products. The product range we offer are designed and developed by the expert engineers and technicians highly in accordance with the set industrial standards and norms. For gaining maximum client satisfaction, we source all the offered products from the reliable and trusted vendors of the market. Further, our quality inspectors strictly examine the entire procured range under several industrial standards to eliminate any chance of defect and ensure flawless functioning for a longer period of time. We make use of quality tested packaging material in packing the offered products which helps in maintaining original characteristics of the offered products. We have built a state-of-the-art infrastructure at **Kolkata, (West Bengal, India)** for facilitating extensive business operations. It is sprawled across a wide area and is well equipped with the latest technology and upgraded machinery. For carrying out the activities in a streamlined manner we have divided the entire unit into various departments like supplying & marketing, administration, research & development, warehousing and packaging & distributing.

A Member of

YUKEN INDIA LTD HYDRAULIC PRODUCTS

With the help of our experienced engineers, we are able to design and develop a wide range of **Hydraulic Equipment** consisting of **Flow Controls, Pressure Control, Direction Control, Variable Displacement Vane Pumps** and many more.

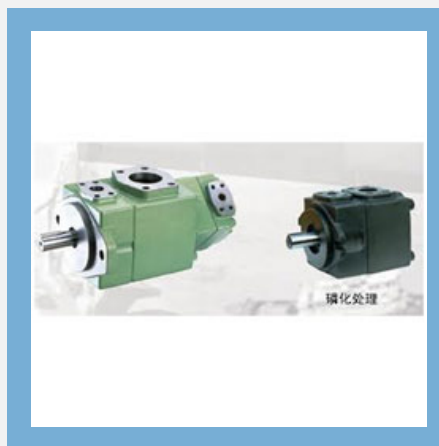

Hydraulic Flow Controls

Pressure Control

Variable Displacement
Vane Pumps

Fixed Displacement Vane
Pumps

TUCSON SCREW-IN HYDRAULIC VALVES

Our domain expertise has enabled us to come with an excellent gamut of **Hydraulic Valves**. The offered range consists of Pressure Relief Valve, Over centre Valve, Throttle Valve, High Pressure Ball Valves and many more to name.

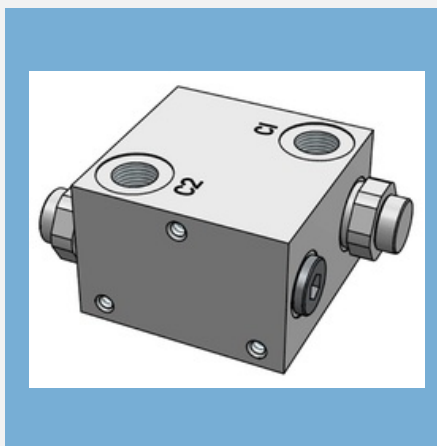

Lift Lower Block

Over Centre Valve

Poppet type On Off Valve

Double Pilot Operated
Check Valve

HYDAX HYDRAULIC TANK ACCESSORIES

HYDAX HYDRAULICS was established in the year 1979, The concept right from the onset, was to create products that would be indigenously designed, technologically superior and commercially viable. It must be pointed out that we were pioneers in the area of manufacturing **hydraulic accessories** in India.

Hydax Filters

MP Filtri Accessories

Tank Top Return Line
Filters

Hydraulic In Line Filter

TECCON HEAT EXCHANGERS

We are engaged in manufacturing a vast array of high quality **Heat Exchangers** that is manufactured with the help of cutting edge technology. This range of ours consists of **Plate Heat Exchangers, Pressure Switch, Shell & Tube Type** and **Air Oil Cooler**.

Shell & Tube Type Heat Transfer System

Plate Heat Exchangers

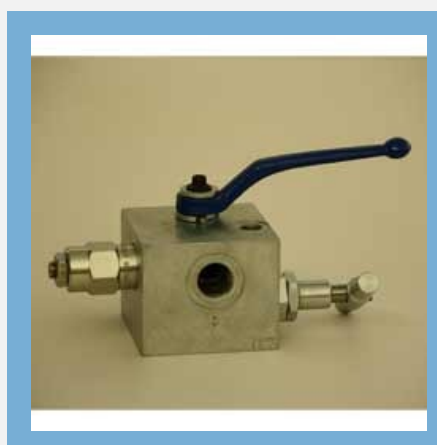

Air Oil Cooler

OLAER ACCUMULATOR SAFETY BLOCK

Backed by rich industry experience, we are presenting vast variety of **Industrial Accumulators**. This range of product consists of **Flexible Separator, Accumulator Safety Block, Diagraph Accumulator, Bladder Accumulator**.

Accumulator Safety Block

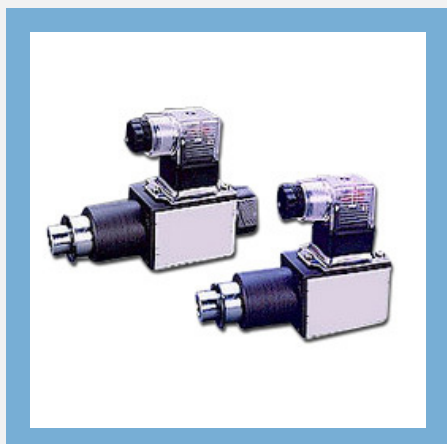

Accumulator Safety Block

Bladder Accumulator

PRISM HYDRAULIC PRESSURE SWITCH

We are highly appreciated in today's competitive market for dealing in **Hydraulic Pressure Switch** which deliver splendid consistent performance for longer time.

Pressure Switches

Direct Operated Pressure Relief Valve

Pressure Transducer

Lever Operated Directional Control Valve

HYDRAULIC MOTORS & STEERING UNITS WINDE ,DANFOSS

We are one of the leading names engaged in offering a wide range of **Hydraulic Motors & Steering Units M&S Danfoss**. The range offered by us includes **Hydraulic Motors, Hydraulic Motor EPMM, Open/Closed Loop Axial Piston Pumps** and **Hydraulic Motor EPM**, to name a few.

Winde

Hydraulic Motors

Hydraulic Motor EPMM

Hydraulic Motor EPM

CASAPPA HIGH PRESSURE HYDRAULIC GEAR PUMPS

We are into supplying a quality assured range of **Hydraulic Gear Pumps**. The range offered by us includes **Cast Iron Gear Pumps**, **Gear Pumps**, **Hydraulic Gear Pumps** and **Formula Gear Pumps**, to name a few. These pumps are sourced from authentic vendors of the market, who hold rich experience in this domain.

BOSS make Hydraulic Gear Pumps

BOSS make Hydraulic Gear Pumps

Hydraulic Cast Iron Gear Pump

Formula Gear Pumps

TUCSON HYDRAULIC CHECK VALVES

Our organization is a well-known firm engaged in offering a wide range of **Hydraulic Check Valves**. Our range encompasses **Throttle Check Valve, Pilot Operated Check Valve, Check Valve** and **Modular PO Check Valve**.

Hydraulic Throttle Check Valve

Check Valves

Pilot Operated Check Valve

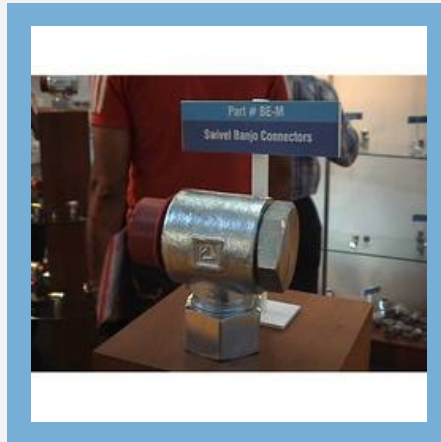

Modular PO Check Valve

OTHER PRODUCTS:

Electric Motors

Swivel Banjo Connectors

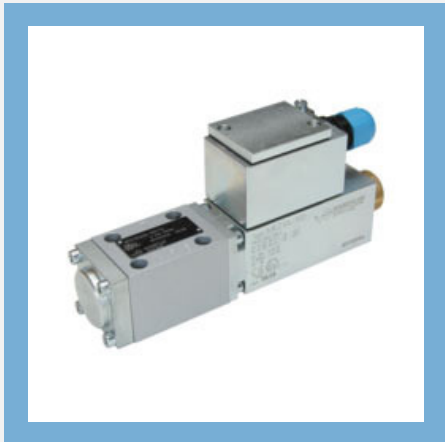

Elastomeric Ferrule
