

Circuitor India

www.indiamart.com/circuitor

We are an **ISO certified, manufacturers, suppliers and exporters** of all kinds of **Electrical Equipment**. These are used in **Electrical Industry** for generating, transporting and distributing energy.

About Us

Established in the year 1973, at Bengaluru, Karnataka, India, “**Circutor India**”, are a Limited Liability/Corporation (Privately Held) firm engaged in manufacturing, supplying, and exporting a wide range of **Electrical Equipment**. Our offered range includes **Transformation Centre Measuring And Checking Equipment, Protection Transformers, Power Quality Analyzers, Power Factor Controller, Power Analyzers, Motor Protection Relays, Measurement Transformers And Shunts** and **Maximum Demand Control System**. These are used in **Electrical Industry** for generating, transporting and distributing energy.

Backed by a sound infrastructure and dexterous team of expert professionals, we are able to offer **ISO 9001, ISO 14001, and OHSAS 18001** certified Electrical Equipment. To meet the bulk and specific requirements of our customers within stipulated time frame, we have 5 manufacturing units that are installed with latest technology CAD systems. With the help of our experienced researchers, we are able to improve our existing product range and bring technical enhancements in our equipment. These equipment are also quality tested on defined parameters, to ensure these are in compliance with the defined quality standards and only defect free equipment are delivered in national as well as international markets. 50% of our products are exported to more than 90 countries across the globe.

A Member of

ELECTRICAL EQUIPMENT

We are leading manufacturers and exporters of a wide range of **Electrical Equipment** to our customers, which are highly demanded in the national as well as international market. Our electrical equipments find wide application across various industries, especially Electrical industry.

Digital Instrumentation &
Measurement Converters

ELECTRICAL CAPACITORS

We are offering a quality gamut of Electrical Capacitors such as L.V. power capacitors, L.V. automatic capacitor banks, M.V. power capacitor banks and accessories and LV automatic capacitor banks with detuned filters.

PFC Capacitor Banks

LV Power Capacitors

LV Automatic Capacitor Banks

MV Power Capacitor Banks & Accessories

POWER ANALYZERS

We are prominent manufacturer, trader and exporter of Power Analyzers such as power quality analyzers and power analyzers which are known for optimum performance and high efficiency.

Three Phase Power Analyzer

Portable Power Analyzers

Power Quality Analyzers

Power Analyzers

ENERGY MANAGEMENT SYSTEM

Providing you the best range of Energy Management System such as Power Studio and Opc Server with effective & timely delivery.
