

CKM Switchgears

www.indiamart.com/ckmswitchgears

We come as CKM switch-gears, an **ISO 9001-2008** certified composer, supplier and exporter of premium quality switch gears and components that come popular for tenacity and performance.

A b o u t U s

CKM Switchgears has since a very long time stood apart with its high quality outputs of switch gears and components. CKM stands as a popular name in the manufacturing and supply operations pertaining to Switchgears and Controls besides various other electrical outputs.

CKM switch gears started as an enterprise pertaining to the manufacture and supply of a large collection of control panels, control panel accessories, switch gears and related Electrical and Electronic Products with the aim of providing for enhanced client satisfaction. Our assortment comprises of **MCB and related switch Gear Products, MCB & AC Plug and Socket** etc. Besides, we compose premium quality control panel HT and LT and import different types of electrical products. We are supported by a team of experts who have years of experience in the field. We have observed major growth and success under the able guidance of our mentor **Mr. Ashok Jain**, who comes with an excellent and in-depth experienced of the field.
