We, “**Chirag Sanitary Products,**” are an **ISO 9001:2008** company, established in 1974 and for over three decades, we have been **manufacturing, supplying & exporting Sanitary Products and Bathroom Fittings & Accessories** like bathroom taps, bathroom sink taps, bathroom basin taps, sanitary taps, bottle trap, sink mixers, waste couplings. Owing to our endless success, we have also earned a name as a **trader, distributor and wholesaler** of **Waste Coupling, Bottle Traps, Center Hole Economy Mixer Taps, Sink Mixers, 7 Center Hole Mixer Taps and Pillar Cock Self Closing Taps**. Further, our meticulously crafted range also includes complete series of **Wall Tap Mixers** like **Cube Series, Idea Series, Old Gold Series and Simran Series**. We have been supplying our products not only within the nation but also in countries like **Dubai & UAE**. In India we have been able to garner a spread out clientele which includes the names of well-known companies like **CPWD, LIC, Air Force, Naval Housing Board and RCF**.

We are proud of the fact that due to our well-developed infrastructure, we have reached at a stage where we don't require any sort of outsourcing and have the ability to manufacture each and every necessary item under one roof. We are looking forward to expand our business in different parts of the world without going low on quality. Our assortment is a perfect blend of **innovative designs, strong structure, fine finish and is offered with affordable price tag**.

Under the dynamic leadership of our mentor **Ms. G S Bhatia**, we have been able to achieve great success and emerge as pioneers in our area of operation. With her decades of knowledge and creative ideas, our company overcame every barrier and has earned a substantial market credibility.
