# Profile

Established in the **year 2010**, we, “**D S S Cottinfab Limited**” stands amongst the leading manufacturers, suppliers and retailers of **Ladies Garments**. Due to our constant efforts in providing superior quality products, we have earned the prestigious stand in market. Our product-line is highly acknowledged in the market and are appreciated for its colorfastness, perfect fitting and tear & stain resistance. We procure excellent quality fabric from trustworthy vendors of the market to design our range.

We have employed diligent professionals in our organization, who are involved in catering to the variegated demands of our valuable customers. Our team members are well-versed with the current market trends and accordingly design the collection in various styles, designs and patterns. With the assistance of a sophisticated infrastructure, our designers manufacture an admirable array of products. Our infrastructure is armed with high tech machinery and advanced technology, which is required in the production process. Apart from this, our range of products is in conformance with the pre-determined norms and standards set in the international market.

It is our privilege that we are working under the skillful guidance of our highly experienced and qualified mentor '**Mr. Deepak Goyal**'. His in-depth knowledge of the domain and keen desire to achieve maximum customer satisfaction have helped us build a firm position in the industry.
