

Anshi Diamond

www.anshidiamondjewellery.com

We are a paramount manufacturer, supplier and wholesaler of an alluring array of **Sterling Real Diamond Jewellery with Silver.**

Profile

Established in the year **2005**, we “**Anshi Diamond**” have emerged as a prominent manufacturer, supplier and wholesaler of Real Diamond Jewellery with Silver. Our range of products is highly demanded in the market for their exclusive designs, smooth edges, long lasting shine, fine polishing and latest patterns. These are studded with premium quality real diamonds. We offer these jewellery items in a variety of designs and shapes to meet varied demands of our customers.

With the support of creative designers and trained artisans, we have been able to deliver an illustrative assortment of products to our clients at market leading prices. Renowned for their lucidity and uniqueness, our jewellery products enhance the appearance of the wearer. Loose diamonds offered by are perfectly carved and are available in myriad of shapes and sizes. In order to meet with the growing demands of our customers, we have installed technologically advanced equipment and machines at our state-of-the-art infrastructure. Our production house is capable enough to meet bulk orders that we undertake within the stipulated time-frame. We have also defined a quality testing cell, which is effective in monitoring the quality of products. This aids us in offering immaculate range of products to our clients. We also provide option of customized products to meet the varied demands of the clients in **North America, Indian Subcontinent, South/West Europe, North Europe, East Europe, South America** and **Central America**.

Following the footsteps of “**Mr. Alpesh Shah**”, we have been able to augment clientele across the nation. His acumen and rich experience has immensely helped us in mustering the trust of our clients.
