

Omega Metrology Products

<https://www.omegometrology.in/>

We are a coveted manufacturer, supplier and trader of a wide range of Metrology Product. The range is distinguished on the basis of its characteristics like reliability, high performance, durability and easy maintenance.

About Us

Established in the year **2005**, “**Omega Metrology Products**” are leading manufacturer of a wide range of Metrology Product. The range is manufactured by using raw material like steel, glass & electronic and extensive technologies. Our range is appreciated for its attributes like accurate measurements, high performance and durability. The range finds application in aerospace & automobile industries and used in plastic components.

We are catering to the needs of the clients like Honda, 3M, Tata, GG Cables, Tanishq Innovation and Thai Summit. Our organization values the deal signed with these clients and work in line with their requirements. Their demands are achieved relying on our well-built manufacturing unit and advanced quality testing center. In addition, our research & development units looks after the need of innovation and change in the products for improving their attributes. Also, our professionals provide service up-gradation of Tool Makers Microscope and Optical Comparator. On the other hand, they also offer retrofitting of Linear scales on Machines and Digital Read Out.

Our organization is meeting set targets on time, under the able guidance of our mentor “**Mr. R. Shivaji Rao**”. He has been the driving force behind our operations and has enabled us to attain a respectable position in the market.

PROFILE PROJECTORS

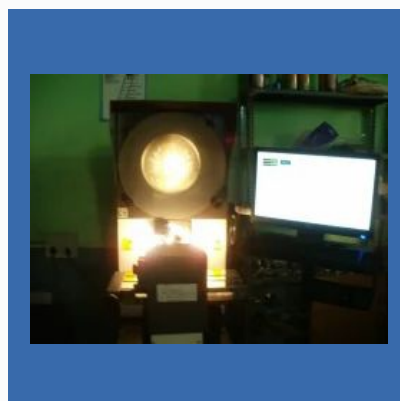

Vertical Light Path Profile Projector

Horizontal Light Path Profile Projector

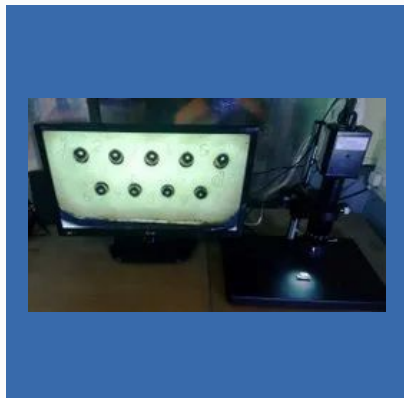

Vertical Slant Screen Light Path Profile Projector

Horizontal Light Path Vision Measurement Machine

VISION MEASUREMENT MACHINE

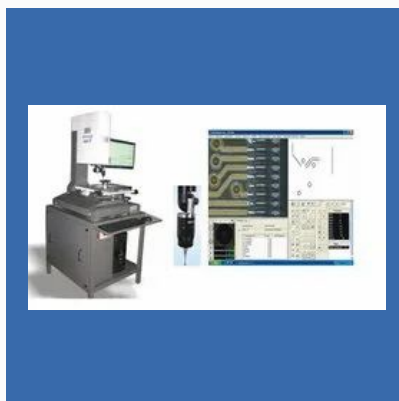

Weld Penetration Inspection Machine

VMM H2D Horizontal Light Path Vision Measurement Machine

VMM 2D/3D Horizontal Light Path Vision Measurement Machine

VMM H2D Vertical Light Path with Touch Probe Vision Measurement Machine

MEASURING SYSTEM

EL 250 Profile Projector
Measuring System

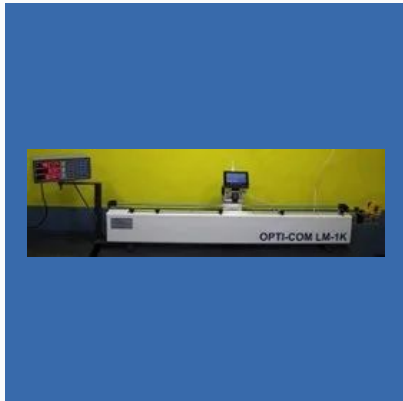

EL 530 Profile Projector
Measuring System

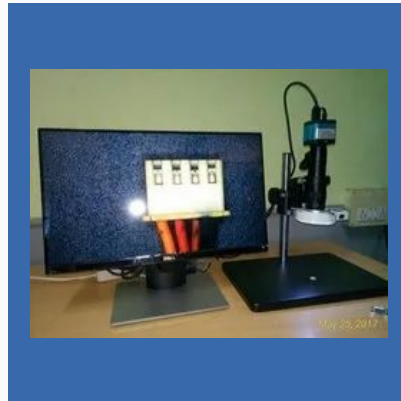

DSP 200 Profile Projector
Measuring System

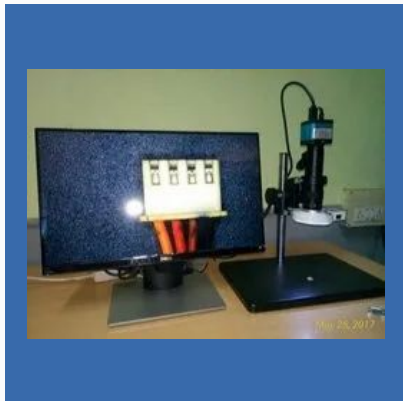

DIGITAL MICROSCOPE

Tape and Steel Scale
Calibrator

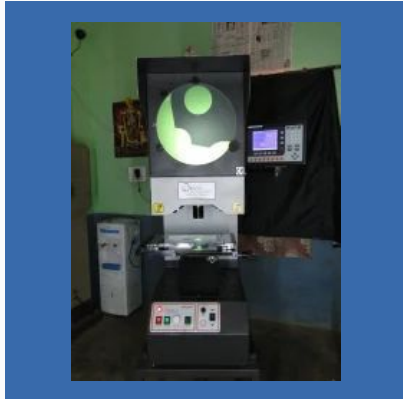

MD 201 Digital Microscope

MD 202 Digital Microscope

OTHER PRODUCTS:

Optical Vertical Profile Projector

VMM 2D/3D Vertical Light Path Vision Measurement Machine

Visual Inspection Equipment

CMM Inspection Service

OTHER PRODUCTS:

Horizontal Optical Comparators

Vertical Optical Comparators

Digital Readout And Optical Linear Encoders

Digital Readout Measurement Systems

OTHER PRODUCTS:

Surface Roughness Tester

Vision Inspection System

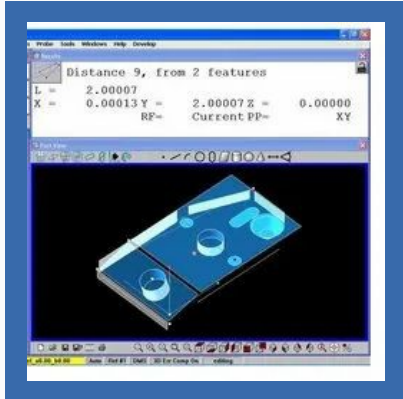

Universal Length Measuring Machine

Metallurgical Microscope

OTHER PRODUCTS:

2D Measurement

Welding Penetration System

Renishaw MCP Trigger Probe
