

# Agon Pharma Private Limited

[www.indiamart.com/agonpharma](http://www.indiamart.com/agonpharma)

We are the manufacturer and exporter of fine chemicals & bulk drugs. Our range includes Dithranol IP/BP/EP, Dantron BP, Anthralin USP, Anthrone, Glycerol 1:3-Dichlorohydrine.

# Know Us

We take pride in introducing ourselves as one of the noticeable manufacturers of quality chemical products for pharma industry. Since our very inception in 1993, we have been highly active in maintaining accuracy, quality, and efficiency in all our products. Our company's founders and Directors, Dr. M.K. Menon, Dr. S.D. Patil and Mr. T.D. Patil, has contributed a lot in accomplishing the current status of our company. For us, quality is a vital element to be maintained in all our products.

We take pride in declaring that we use sophisticated gas chromatography and high pressure liquid chromatography for quality control system. We have embarked on an expansion plan which will double annual capacity of our flagship products. We are emerging as a dependable provider of APIs which has made us a renowned name amongst the pharmaceutical companies. We intend to supply to more generic manufacturers globally.

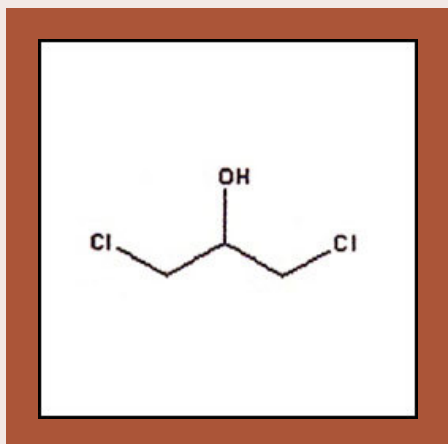

**We are looking queries from foreign countries.**
