A b o u t U s

Established in the year 1976, we “**Agrawal Metal Works**”, are **ISO 9001:2008** certified firms engaged in manufacturing and exporting an extensive range of Hardware Fittings. These products are manufactured by our experienced professionals using superior quality raw materials in accordance to international quality international quality standards. We are blessed with a team of quality controllers who rigidly test these products on various parameters to ensure flawless range of products. Owing to their excellent performance, superior quality and longer functional life, these products are highly demanded by the customers.

We have developed a sophisticated state-of-the-art infrastructure that is spread over a wide area of 1500 Square feet. Installed with latest equipment, machinery and tools, our infrastructure caters to the changing demands of the customers. Segregated into various units like manufacturing, packaging, sales and marketing, our professionals work in an organized manner. Further, we have a team of quality controllers who stringently test these products on various parameters to ensure flawlessness. All our professionals work in close coordination with each other to understand the demands and requirements in far better way. Owing to above mentioned factors, we have garnered a huge clientèle across the **South/West Africa, East Europe, North Europe** and **South/West Europe**.

Under the able and efficient guidance of our mentor ‘**Mr. Ritesh Garg**’, we have reached new heights of zenith in this domain. His managerial skills, motivating persona and transparent business dealings have enabled us garner a huge client base across the country.
